

History Unit 1.1–1.5 Flashcards 歷史技巧閃卡

Print double-sided, flip on short edge. Blue border = question side · Green border = answer side. Cut along the borders.

What is History?

Card 1 — question

Primary Source

第一手史料

Card 2 — question

Secondary Source

第二手史料

Card 3 — question

Reliability

可靠性

Card 4 — question

Bias

偏見

Card 5 — question

Evidence

證據

Card 6 — question

Historical Significance

歷史意義

Card 7 — question

Chronology

年代學

Card 8 — question

What is History?

Studying the past and how it has changed over time.

研究過去以及過去如何隨時間改變。

Card 1 — answer

Primary Source

第一手史料

Information coming directly from an **eyewitness or participant**.

E.g. diaries, photographs, letters, artefacts.

Card 2 — answer

Secondary Source

第二手史料

Written **later on** by someone who did **not** directly witness.

E.g. textbooks, documentaries, encyclopaedias.

Card 3 — answer

Reliability

可靠性

The quality of being **trustworthy** or of performing consistently well.

Answers: *Is this source telling the truth?*

Card 4 — answer

Bias

偏見

Prejudice in favour of or against one thing, person, or group — usually in a way considered **unfair**.

= a source that is one-sided.

Card 5 — answer

Evidence

證據

Anything that can be used to prove something.

E.g. photographs, letters, fossils.

Card 6 — answer

Historical Significance

歷史意義

The **worth or importance** of a person, event or development from the past.

Card 7 — answer

Chronology

年代學

The **arrangement of events or dates** in the order of their occurrence.

Card 8 — answer

Timeline

時間線

Card 9 — question

Century / Decade / Millennium

Card 10 — question

BC

Card 11 — question

AD

Card 12 — question

The Year-Zero Rule

Card 13 — question

Century Rule — AD

Card 14 — question

Century Rule — BC

Card 15 — question

Family Tree Symbols

Card 16 — question

Timeline

時間線

A line showing the order of events in history (dates, events, people).
Events go **left → right**.

Card 9 — answer

Century / Decade / Millennium

Century = 100 years

Decade = 10 years

Millennium = 1,000 years

Card 10 — answer

BC

Before Christ — every year **before** Year 1.
Counts DOWN to 1 BC. E.g. 3200 BC.

數字越大，年代越早。

Card 11 — answer

AD

Anno Domini = 'in the year of the Lord' — every year **after** Year 1.

Counts UP from AD 1. E.g. AD 2025.

Card 12 — answer

The Year-Zero Rule

There is **no year 0**.

1 AD comes immediately after 1 BC.

On a timeline: BC on the **left**, AD on the **right**.

Card 13 — answer

Century Rule — AD

AD century = (year ÷ 100) + 1

AD 476 → **5th** century AD

1903 → **20th** century AD

2026 → **21st** century AD

Card 14 — answer

Century Rule — BC

BC century = (year ÷ 100) rounded UP

551 BC → **6th** century BC

221 BC → **3rd** century BC

320 BC → **4th** century BC

Card 15 — answer

Family Tree Symbols

 Square / rectangle = **Male** ♂

 Circle / oval = **Female** ♀

Horizontal (double) line = **Marriage**

Vertical line = **Parents → Children**

Card 16 — answer

Family Tree Key

Card 17 — question

Generation

世代

Card 18 — question

The 5Ws

五何

Card 19 — question

Values & Limitations

價值與局限

Card 20 — question

Historians' Questions

Card 21 — question

Who Is More Reliable?

Card 22 — question

Family Tree Key

b = birth · **d** = death

m = marriage · = shows marriage

Vertical line = parents to children

Card 17 — answer

Generation

世代

All the people **born at about the same time**.

Each generation on a **different level**:

Grandparents → Parents → Children

Card 18 — answer

The 5Ws

五何

Who created it? Who was there? Who was the audience?

What type? About what? What is missing?

When — during or after the event?

Where made / found?

Why created — inform, persuade, entertain, record?

Card 19 — answer

Values & Limitations

價值與局限

Values = what we **CAN** learn from the source.

Limitations = what we **CAN'T** learn — what is **missing or unreliable**.

Card 20 — answer

Historians' Questions

About evidence, ask:

Who made this? When was it made?

Why was it made? Who was it made for?

Historians value **primary** sources more.

Card 21 — answer

Who Is More Reliable?

A **witness who was there** is more reliable than someone who **heard about it later**.

Closer to the event = more reliable.

Card 22 — answer
